

X-RAY CASSETTES and more >>>

Computed radiography, film, refurbished options, and other x-ray products

Rochester Cassette Sales and Service offers an extensive selection of new and refurbished cassettes encompassing most sizes, applications, manufacturers, and budgets. With several dealerships in place, RCSS is proud to offer and support these high quality cassettes.

New CR and Film Cassettes

- Agfa
- Carestream/
Kodak
- JPI
- Kiran
- Konica
- Okamoto
- Rego
- Soyee
- Spectronics
- Valumax
- And many more

We build custom cassettes that include 14"x36" and 14"x51" with split screens, crossbar-grid cassettes, windowed cassettes, and unique applications.

Economy cassettes are ideal for small clinics where limited use doesn't warrant a heavy-duty cassette. They feature a lightweight aluminum construction, foam backing for improved film screen contact, and self-locking push buttons.

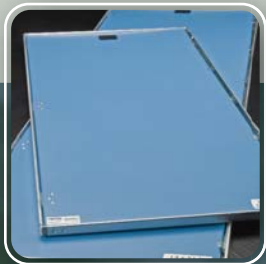

Remanufactured Cassettes

- Agfa
- Dupont
- Fuji
- Carestream/
Kodak
- Konica
- And many more
depending on
stock

Our next to new cassettes provide an alternative to the high cost of new. All remanufactured cassettes are restored to original manufacturers specifications. We are so confident in our workmanship that we will provide a one year warranty against defects. Custom builds are also available.

Other X-Ray Products:

- Intensifying screens - sold separately or installed into your cassette
- Cleaners: For CR plate and intensifying screens
- Remanufactured ID cameras - Kodak, Agfa, Okamoto
- Safelights and filters
- Aprons and other darkroom accessories
- Cassette holders - tabletop/wall mounts
- Glove caddies, grid caddies, door caddies
- OEM parts

ISO 9001:2000 CERTIFIED

No surprises – all work is guaranteed
